

DL114

600V Pocket Digital Multimeter

600V Digital Multimeter c/w LED Torch and Non Contact Voltage Detector

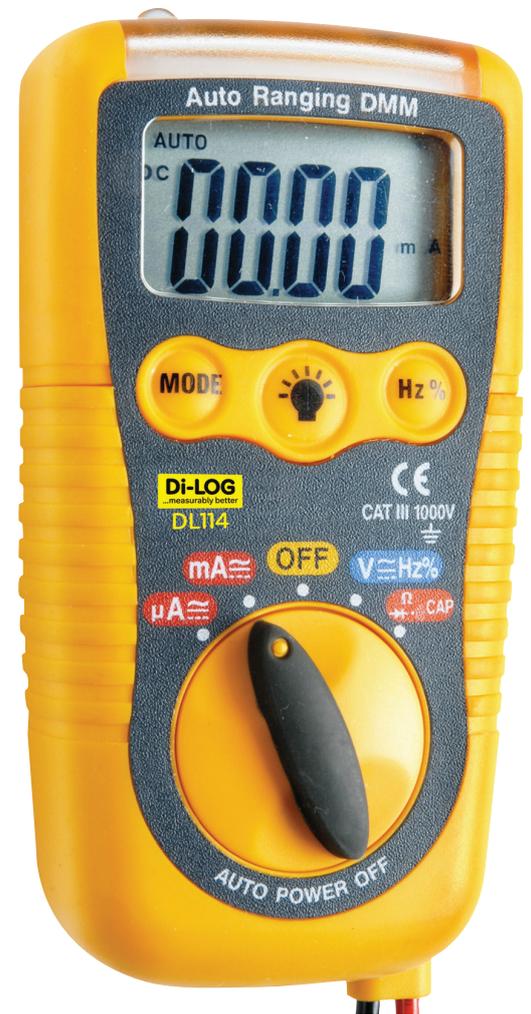

A mini multimeter with a high contrast 4000 count LCD display. Includes non contact voltage detection and torch

Features

- Voltage range up to 600V AC/DC
- Pocket sized
- Durable double moulded design
- Compact and easy to use
- Built in LED Torch
- Built in Non Contact Voltage Indicator
- Fully compliant GS38 probe tips

Specifications

Measurement	
AC Voltage	1mV - 600V AC
DC Voltage	1mV 600V DC
AC Current	100mA - 200mA AC
DC Current	100mA - 200mA DC
Resistance	0.1 Ω - 20 M Ω
Diode test	0.3 mA typical 1.5 V DC
Other Information	
Power supply	2 x 1.5 V AAA battery (supplied)
Dimensions	104 x 55 x 32.5 mm
Weight	145g

All Di-log Multimeters
supported by a
2 Year Warranty
